### The angels are coming ...

It's the silver anniversary of Misericordia Health Centre Foundation's cherished Angel Squad fundraiser, where Angels in gowns, wings and halos traditionally line the Maryland bridge.

While this year's festivities may look a little different, we can't NOT celebrate a 25<sup>th</sup> Anniversary!

Please save the date for a PHOTO OP and interviews:

**When:** 7:30 a.m. Tuesday, December 1.

**Where:** Misericordia's Sherbrook Street entrance, just over the Maryland bridge.

**What:** There will be a select number of angels and Christmas trees! It will be fabulous.

*Details to follow closer to the date.*

We know there are many Angels in Manitoba! Leading up to December 1, we will be sharing Angel Squad stories from the past 25 years!
