

Hello Residents, Families and Visitors,

Soon there will be lights, camera and action at Misericordia Place!

WHAT: a movie will be filmed outside Misericordia Place and inside our lobby/reception desk

WHEN: Thursday, Nov. 14 from approximately 5- 11 p.m.

Whenever contractors are at Misericordia, compassionate safe resident care remains our first priority. Film crews sign a location agreement with us, guaranteeing to be respectful, avoid excessive noise, not interrupt clinical activities and to stop filming upon request, such as in the event of an emergency.

Families and visitors are important and we always ensure safe entry. We are, of course, still open to visitors! During the filming, the sign-in sheet will be moved to beside the elevators.

We appreciate your cooperation.

Questions ? Please call Jennifer Taylor, Director, Long-Term Care at 204-788-8451.
