Hello everyone,

I'm excited to announce the return of Around the World, our foundation's annual campaign in support of Misericordia Place.

Once again, home is truly where the heart is for MP residents – but this year we are taking it outside!

Last year, we embarked on an exciting initiative to renew, refurbish, and refresh MP to great success!

Our incredible residents highlighted spaces within MP where they live and adventure in, all in need of a refresh.

The support we received for this campaign has already modernized many of our indoor spaces through the purchase of new furniture – thank you!

We're not done yet though – and now it's time to take it outside! After a long winter, everyone is eager to get outdoors and reap the benefits of being in nature. Gardening, in particular, is an incredibly therapeutic activity as it positively impacts the emotional, mental, and physical health of older adults. This year's Around the World campaign is all about refreshing our outdoor spaces as a way to lift spirits and boost emotional wellbeing – and you can help!

We're thrilled that Canada's Store, Canadian Tire, is back on board as our generous partner in our efforts to renew, refurbish, and refresh. For every dollar donated, Canadian Tire will match it with TWO more – TRIPLING the impact!

That's not all, though! This year when you give the gift of renewal, you have the opportunity to receive a permanent marker of your generosity. As we embark on refreshing our outdoor spaces, we want to honour all those who are making this possible. With a donation at certain levels, you can choose to receive recognition for yourself – or in honour/memory of a loved one – in our MP gardens. Engraved bricks, plaques, and benches are just some of the options available.
