

February 16, 2023

Hello everyone,

I'm excited to announce the return of Around the World, our foundation's third-annual campaign in support of Misericordia Place.

And this year, home is truly where the heart is for MP residents!

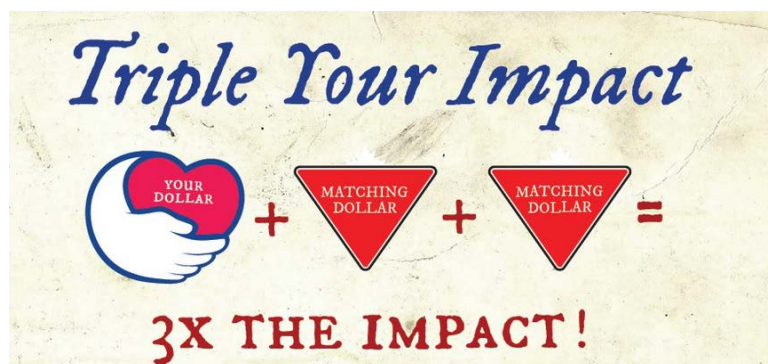

Residents will once again be “travelling around the world” while having adventures within their MP home.

It's been a long three years for our residents who continue to be limited in their interactions with the outside world due to pandemic variants and restrictions. And it's been an even longer 23 years since MP opened in 2000 – I'm sure you recognize critical improvements to enhance and modernize the space are urgently needed!

It's time for a renewal!

Travel journeys will highlight the spaces within MP that our incredible residents and staff live, work, and adventure in! Donations will help refresh and rejuvenate all areas of MP: their rooms! The library! The multi-purpose room! The activity rooms! The kitchens! The dining rooms! You name it!

Refreshing the residents' home is a sure-fire way to lift spirits and boost emotional wellbeing. And Canadian Tire is back on board as our generous partner in our efforts to renew, refurbish, and refresh.

For every dollar you donate, Canadian Tire will match it with TWO more – tripling your impact!

Around the World is such a fun campaign, spearheaded by our innovative recreation team throughout Therapeutic Recreation Month.

While the larger community has been experiencing few – if any – pandemic restrictions, personal care homes understandably remain focused on enhanced measures to keep older adults safe – making the spaces they spend time in even more crucial to their physical and mental health.

[Around the World 2023](#) is only the beginning of this exciting initiative and we can't do it without you. Together we can ensure our residents have the home they deserve.

Yours sincerely,
