Angel Squad's Silver Anniversary

It's the silver anniversary of MHC's cherished [Angel Squad fundraiser](#) where angels in gowns, wings and halos traditionally line the Maryland bridge!

A pandemic sure has a way of changing traditions: we certainly can't gather as a host of angels.

To celebrate the 25th Anniversary of Angel Squad we will have a very qualified angel lighting up five glorious Christmas trees which will adorn our Misericordia Place PCH gardens for residents to enjoy throughout the holiday season.

Visuals op:

***Who & What:** Bob Lam, MHC's Plant Services electrical helper, officially lights Christmas trees - replete with halos on top!

When: 7:30 a.m. Tuesday, December 1

Where: MHC Sherbrook loop (where donations traditionally collected), across from parkade

* Sorry, no onsite interviews

Interview opportunities:

Of course we absolutely want to offer phone or virtual interview opportunities! We have a range of interviewees available – from our Foundation Board Chair to Angel volunteers.
