

Hello everyone,

I just wanted to give you an update on our Foundation's fundraising campaign: **Around the World in 80 Days!**

There is definitely an air of excitement at Misericordia Place with this virtual travel campaign in full swing. It's fun to see family, friends and staff cheering on our residents as they walk, pedal and wheel their way around the world.

Perhaps you've already seen some residents featured in advertisements and stories in the Winnipeg Free Press and on 103.1 Virgin Radio and CTV.

For me, it's been wonderful to see first-hand the residents "visiting" their dream destinations: from a Hawaiian luau to the coast of Ireland on St. Patrick's Day and meeting polar bears in the Arctic (well, Assiniboine Park Zoo) and so much more!

Many thanks to our recreation team in particular for making these experiences so special.

The goal is to raise \$80,000 in 80 days and as I write this, we're up to \$27,000. Funds raised will support our long-term care needs (such as purchasing new upper body ergometers and Smart TVs), as well as recognize our staff - the health-care heroes who are also key in the around-the-world journey.

All donations are being generously matched by [Winnipeg Canadian Tire Dealers](#) up to \$40,000.

So far, eight residents have personal fundraising pages and many other residents are being featured on our social media channels.

Thank you to the residents/families who are already participating. If you/your loved one would also like to be featured, please let me know!

The campaign will run through to May 20, taking the full 80 days to circle the globe.

You can also follow the journey on social media – please feel free to connect with our Foundation on [Facebook](#), [Instagram](#), [LinkedIn](#), and [Twitter](#).

Yours sincerely,
