## LUNCH CLUB

We had a smaller group of residents who enjoyed a lovely lunch from Salisbury House. The Recreation Department organized the event, and the residents paid for their meals through their trust accounts. We always strive to offer enjoyable and community-building activities like this one. As a reminder, if any residents would like to participate in events like this regularly, please be sure to update the trust account form. This will ensure that you're all set for future activities and meals. If you need a form, I'd be happy to email one to you, or you can also pick one up from Mona at Reception. Let us know if you have any questions or need assistance!

Misericordia Place

**GOLDEN GROUNDS**

**MP**

Coffee & Espresso

- Latte
- Espresso
- Cappuccino
- Americano
- Iced Latte

Tea Lattes

- Northern Lights
- London Fog

Monthly Feature

Maple Latte

## GOLDEN GROUNDS COFFEE COMING SOON

The draft menu for Golden Grounds is now available! The espresso machine is not in yet, but a rotating MP schedule has been created. For the first week, service will focus on one floor at a time. Once the process is smooth, the goal is to expand the service. Golden Grounds rounds will begin after the morning program, around 11:45-11:50, to bridge the gap between the morning program and lunchtime, with coffee served from 12:00-12:30. The priority is to ensure the machines are safely delivered to MP before expanding.

## HAIRDRESSER UPDATE

Susan is expecting to return closer to the end of April. In the meantime, Mai has kindly agreed to continue assisting with haircuts until Susan's return. If you have any questions or would like to schedule an appointment with Mai, please feel free to reach out to Mona at 204-788-8440. Alternatively, you can also let the nursing station know, and they will be happy to assist you with booking your appointment. We appreciate your understanding and look forward to seeing you soon!

## NEW DENTAL SERVICE OPPORTUNITY

We have been approached by a Dental Hygienist who is interested in offering a range of dental services at Misericordia Place, including preventative oral care, oral health education, dental hygiene, and head and neck examinations. This service can be provided on an individual basis, or, if there is sufficient interest, we can organize a dedicated clinic for residents.

If you would like more details or to express interest, please feel free to reach out to Audrey Syhachak at 204-960-8193. Additionally, I can send further information via email if you prefer.

For payment, services can be covered through private insurance, trust funds, or payments made directly to the Dental Hygienist.
