FLU AND COVID SHOTS

In recent weeks, our residents have had the opportunity to receive their flu and COVID-19 vaccines.

Starting next week, all residents will also have the chance to receive their RSV vaccine.

GATHERING SEASON IS COMING

As you start to plan out your Christmas holidays, keep in mind that we have space available for you and your family to enjoy in private.

Please call MP reception and speak with Mona if you'd like to reserve our solarium this holiday season. This space is free to use for all residents and families.

HOORAY FOR HAND HYGIENE

Good hand hygiene habits are an easy way to help keep ourselves and the people around us safe! Visitors, please use our hand sanitization stations located throughout MP.

As always, if you have any questions, please do not hesitate to call a resident care manager or myself.

Yours sincerely,

Jennifer Taylor, Director, Long-Term Care

MISERICORDIA PLACE MAKEOVER

Renovations at MP are well on the way! The nursing station at MP1 is nearly complete, while construction on the MP2 nursing station follows close behind. Construction on the MP3 nursing station to begin next.

Looking ahead to the new year, we'll be painting the walls at MP – this will brighten up our building for our residents and staff. We will continue to provide progress updates along the way.

PLEASE JOIN US FOR A SERVICE AND RECEPTION OF

Christmas
