**MISERICORDIA PLACE LIFE ADVICE HOTLINE GOES LIVE**

Over the past couple of months, local artists Toby, Natalie, and Francesca have been collaborating closely with some of our residents on an exciting, top-secret project. After weeks of recording and fine-tuning, I'm thrilled to announce that the project is now complete and officially ready for your listening pleasure! It was an exciting afternoon at Misericordia Place as our featured phonline superstars sat down with local media outlets to chat about the Life Advice Line.

This new phone line is a unique way to connect with the wisdom and experiences of our residents. To use it, simply call the number displayed on the poster: **204-788-8060**. Once connected, you'll be greeted with a menu of advice options ranging from practical dating tips to moose hunting. Just select the number corresponding to the advice you want to hear, and you'll be treated to heartfelt, insightful guidance shared by one of our very own community members.

Our residents have a wealth of knowledge and stories to tell, and this project offers a wonderful platform for them to share their perspectives with the wider community. They are so excited to pass on their wisdom.

Jennifer Taylor, Director, Long-Term Care
