

March 27, 2020

Hello everyone,

We know that visitor restrictions in place are very tough on friends and families with loved ones in long-term care at Misericordia. Our staff is dedicated to ensuring you receive updates. As always, staff will provide regular phone updates and advise if there are any changes to your loved one's health status.

Please continue to call if you have any questions or would like to say hello to your loved one.

We're currently implementing technology, including iPads, to connect residents with family and friends. If you have the technology, we would love to help connect you via FaceTime. Please contact the unit to make arrangements. Staff will also be reaching out to you.

Cornish 2 - 204-788-8398

Cornish 5 - 204-788-8128

Cornish 6 - 204-788-8130

MP 1 - 204-788-8431

MP 2 - 204-788-8432

MP 3 - 204-788-8433

You can also send a message to your loved one through MHC's *Email a Resident* program:

<https://misericordia.mb.ca/contact-us/email-a-resident/>

We appreciate your patience in our efforts to protect our residents, clients and each other as we work together to prevent the spread of COVID-19.

Thank you for your understanding and we hope to hear from you soon!

Jennifer Taylor
Director of Long-Term Care
Misericordia Health Centre/Misericordia Place
