Weekly Mass returns

A message from Miriam Stobbe Reimer, Clinical Lead, Spiritual Health Services

Spiritual Health Services is excited to announce are now offering weekly Roman Catholic mass for all residents. Each Sunday, all units will gather together in the chapel to celebrate the Eucharist. We will continue to observe infection prevention and control measures by grouping residents with their units and ensuring hand hygiene is provided at the start of service.

This Easter, we look forward to having residents in the chapel to celebrate Palm Sunday, Good Friday and Easter Sunday with Monseigneur Jamieson on top of our regular Sunday worship.
