

FAMILY UPDATE

August 4, 2021

Hello everyone,

As we learn more about COVID-19 restrictions changing in Manitoba it's a good time to point out that **masks will continue to be required at all health-care facilities, including Misericordia Place.**

Pets welcome inside again

Pet visitors are welcome back inside MP, as long as they are registered with volunteer services. To register your "pet visitor" call 204-788-8134.

Spending time together

We are happy to announce a change in policy that allows up to two residents to eat meals together at the same table. This change will benefit our residents by increasing their social interactions during mealtime—a time when we are traditionally together!

In-person Catholic Mass is back

MP is now offering in-person Catholic Mass again on Sundays at 10:30 a.m., along with TV Mass on all floors at 1:30 p.m.. Dates and locations for in-person Mass (rotating, one floor per week) as well as other Spiritual Health events are online [here](#). Spiritual

Health offers weekly programs such as Nurturing the Spirit and Hymn Sings on each floor. Nurturing the Spirit is a life-themes program that involves sensory engagement and memory sharing to promote spirituality and identity in a group setting. Themes may include discussion of life stages, events of significance and emotions experienced.

Please feel welcome to contact me if you have any questions or feedback.

Yours sincerely,

A handwritten signature in cursive script, appearing to read "Jennifer Taylor".
