CALLING ALL ANGELS!

Christmas is a special time at Misericordia, and the start of the holiday season always begins with our Foundation's cherished Angel Squad where angels in wings and halos line the Maryland bridge sharing holiday cheer!

This year three magnificent Christmas trees from the Angel Squad event will be moved into our Misericordia Place courtyard for residents to enjoy throughout the holidays.

Angel Squad donations will fund a myriad of projects this year, with two special designations to Misericordia Place:

Book Club Kits

- Reading engages important brain functions and book clubs can provide the feelings of inclusion and belonging—all critical elements in the quest for mental wellbeing. Book club sets that are specifically for adults with mild, moderate, or severe cognitive disabilities can provide a meaningful and independent activity, so the purchase of multiple sets for each cognitive level would be beneficial. Your generous gift of $50 could assist with the purchase of a set of books for an LTC resident.

Music & Memory Program Supplies

- Music is a shared activity that fosters connection, even virtually, between a non-verbal resident and their family. Connecting through music is something that can

be shared with all our residents, and your generous gift of $100 could provide all the supplies necessary (including an MP3 player) for each MP resident.

If you are interested in sharing some holiday cheer with your gift to MHC this year, there are two options to donate:

➢ Phone 204-788-8458
➢ Visit misericordiafoundation.com

And from now until December 14, your holiday gift will be matched by our angelic sponsors—immediately doubling your impact.

We are so grateful to all who don angel wings to enhance care at Misericordia through their generosity to Angel Squad. Thank you!

Yours sincerely,

Jennifer Taylor, Director, Long-Term Care
