

# FAMILY UPDATE

December 6, 2023

## Standards Report

We have received the standards report from the Manitoba Health PCH standards team (one representative from the province, and one from the WRHA) who visited MP in the fall for an unannounced visit. We welcome these surprise visits as they ensure we are keeping our residents safe and healthy. The team toured our facility in detail, talked to residents, family and staff and thoroughly reviewed charts and documentation.

Overall the visit was very successful! We will be reporting back on Care Plan Audits, Restraint Audits and weekly water temperature monitoring. There is always work to be done but we are happy with the findings and the work our staff does every day.

## Gratitude abounds

Please take the time to enjoy our Foundation's [2023 Gratitude Report](#) to learn how donors have made such a difference at Misericordia Place: from travelling Around the World with residents with the goal to refresh and revitalize to a family setting up the first-ever endowment fund at MHC, solely designated to support musical programming through our recreation team.

## Angel Squad—until December 12

Earlier this week our Foundation's Angel Squad was out in full force, lining the Maryland bridge to start the holiday season off right!

Pictured right is MHC's President and CEO Caroline DeKeyser with MP resident Bill Pollon!

Bill can tell you it wasn't that cold and there were lots of yummy treats for volunteers!

You can still share some holiday cheer with your gift to MHC this year: phone 204-788-8458 to donate or visit [misericordiafoundation.com](http://misericordiafoundation.com)

Every gift is appreciated – but hurry, contributions are being matched by our angelic sponsors only until December 12!

### **Christmas happenings reminder!**

December is bringing all kinds of holiday festivities to our residents. This includes a performance from the Nursing Choir, resident Christmas lunches catered by Fairmont Winnipeg and intergenerational programming with local daycares and schools.

We encourage families and friends to join us for a special Christmas service to celebrate the season in our chapel. Spiritual Health will facilitate a Christmas service with scripture, carols and more. Following the service, the Recreation team will be hosting a tea, so you can stay for treats!

#### **Dates:**

December 18, 2 p.m. – MP1 residents, families & friends

December 15, 2 p.m. – MP2 residents, families & friends

December 19, 2 p.m. – MP3 residents, families & friends

Please RSVP before December 13 by calling Mona at 204-788-8044.

Yours sincerely,

Jennifer Taylor, Director, Long-Term Care
