

# FAMILY UPDATE

December 7, 2021

Happy holidays!

## Creating the right light

Thanks to the support of the Misericordia Health Centre Foundation, we have begun to install new window coverings throughout Misericordia Place. We are very excited to see these attractive coverings arrive, which include a retractable blind that reduces glare while still allowing residents to see outside and a curtain that black out the room for comfort when sleeping. All the installations will be completed early in the new year.

Stay tuned! With the support of the Foundation, we have many more planned upgrades to enhance our residents' lives. More information on these exciting initiatives will be announced soon.

## Let's stay vigilant

As COVID-19 cases increase in the community, please be assured we continue to do our part to ensure residents, staff and visitors are safe. Thank you to visitors for wearing the appropriate PPE, frequent hand washing, and keeping two metres apart. Other considerations include getting the third dose of the COVID-19 vaccine and to consider how you plan to safely spend the upcoming holidays. We appreciate all that you do and the continued support you show us.

## Angel Squad donations doubled until December 14

Don't forget, if you plan to support the Misericordia Health Centre Foundation during Angel Squad fundraising your donations made by December 14 are doubled thanks to an angelic sponsor's generosity! Donate at [misericordiafoundation.com/angelsquad](https://www.misericordiafoundation.com/angelsquad)

Yours sincerely,
