Hello everyone,

Remember last year's super-successful Around the World in 80 Days fundraising campaign?

It's back! Around the World 2022 is the Manitoba edition and will run throughout the month of February, Therapeutic Recreation month!

We all look forward to the joys of summer, right? This year, as MHC residents and health-care workers continue to face pandemic challenges, dreams of sunshine and adventure are more important than ever.

This fun campaign keeps residents in great physical and emotional health by walking, pedalling, wheeling, bowling, viola playing and more!

It's inspiring for me to see our residents in the 2022 campaign enjoying upper body ergometers, Smart TVs and the $14K Tovertafel, a state-of-the-art "table" with games and cognitive challenges projected onto it: soccer, whack a mole, butterflies that float onto your hand, gardens that need tending, fish and birds that need feeding and so much more. All of these innovative purchases were made with funds raised from the 2021 campaign!

This year, we're asking residents where they'd like to visit in our beautiful home province. Our hope is to raise funds to make some of these dreams come true when it is safe to do so – from a trip to the symphony to ice cream at BDI to cuddling puppies at the Winnipeg Humane Society.

Winnipeg Canadian Tire Dealers are back on board as our generous sponsor: up to $40K! For every dollar donated, Canadian Tire will match it with two more: TRIPLE the impact!

Thank you to the residents/families who are already participating. If you/your loved one would also like to be featured, please let me know!
