

# FAMILY UPDATE

July 20, 2023

## **MP welcomes new program assistant**

Monaliza Sanchez says one of the best parts of her job is meeting new people as they arrive at Misericordia Place.

Sanchez is a new program assistant who works at the front desk and is the first face people see when they walk in.

"The building is really nice here," Sanchez said. "And I love talking to the families that come in enquiring about Misericordia Place and working closely with them and the social workers."

One way that Sanchez keeps the personal care home running smoothly is by helping managers fill staff vacancies when needed. But she says a big part of her job is making sure families know where to go when they come to visit their loved ones.

"I love hearing the personal stories behind the people and really getting to know the residents, she said. "Everyone has been so wonderful."

Sanchez is already part of the Misericordia family having spent the last four years working as an evening clerk in the Cornish building at MHC.

She says after picking up some shifts to cover for others at Misericordia Place, she realized she wanted a change of scenery. Sanchez said she applied for the next clerk position at MP as soon it became available.

"Not only are the staff so great to work with at Misericordia Place but I also I like that I have my own space, and I can really focus here," Sanchez said.

"I love my job and I feel really lucky."

**Miz Marchers: join us!**

A reminder, Misericordia Place recreation facilitators lead a walking group with residents every Friday at 2 p.m. around The Gates/Armstrong's Point.

Family members are welcome and encouraged to join.    No registration necessary, just come on out!

Yours sincerely,

Jennifer Taylor, Director, Long-Term Care
