

FAMILY UPDATE

July 5, 2021

Hello everyone,

Generosity starts at MP!

We are so proud of Misericordia Place nurse Lorie Derado, who started a collection to deliver treats and appreciation baskets to ICU staff around Winnipeg. Her effort started on her unit and spread across MHC. Misericordia Health Centre Foundation joined in with a match of donation dollars, and last week Lorie delivered almost \$1,000 worth of treat baskets and donated Tim Hortons goodies. Lorie was inspired by ICU staff, who are “saving lives everyday...they haven’t had

a break throughout the pandemic.” Our Misericordia Family never stops caring!

Protecting Manitobans

Remember, general visitors to MP who are required to be fully vaccinated (two weeks after a second COVID-19 vaccine injection). Read our [June 17 Family Update](#) for all details, including how to demonstrate proof of vaccination.

Yours sincerely,

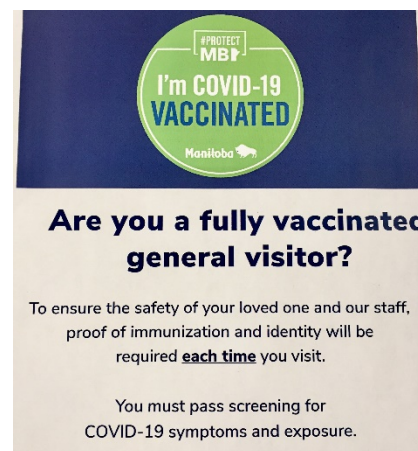

Jennifer Taylor, Director, Long-Term Care

Are you a fully vaccinated general visitor?

To ensure the safety of your loved one and our staff, proof of immunization and identity will be required **each time** you visit.

You must pass screening for COVID-19 symptoms and exposure.
