

# FAMILY UPDATE

March 31, 2022

## COVID-19 case

We had one MP3 resident test positive this week. We are monitoring all residents as we do every shift and every day. There is no change to visitation at this time. We will be in touch if anything has to change. Please call/email me directly with questions or concerns.

## New social worker at MP

Barbara van der Vis, our social worker in MP for the last 14 years, is moving to a Transitional Care Unit at MHC. We want to thank Barbara for her wonderful service.

We are glad to be welcoming Aliyah Fhella to the MP team as our new social worker.

A social worker is often the first person that family and residents meet. They are an integral part of the team, increasing wellness for residents and families.

*Aliyah Fhella, our new social worker*

Aliyah is looking forward to getting to know MP residents and families. She can be reached at 204-788-8435.

## Consider volunteering at MHC

Misericordia Health Centre is welcoming back volunteers.

If you or any other family members or friends aged 14 and older are interested giving your time to help out at Misericordia Place, or elsewhere in the health centre, please visit to our [Volunteer Services webpage](#).

## Recreational facilitator Ana Anusic retiring

Our recreational facilitator Ana Anusic is retiring after working at MP for 20 years. We will miss her enthusiastic support of the MP1 residents and staff, creative programming, and delicious homemade doughnuts.

We are grateful for Ana's vision and facilitation of the MP Fashion Show, which is something that will continue. We wish her all the best in her retirement where we know she will be active and having fun!

Yours sincerely,

Jennifer Taylor, Director, Long-Term Care
