

# FAMILY UPDATE

May 17, 2024

## A few reminders to start...

- You can **EXIT** at 44 Furby Street at any time, you just need to press the accessibility button.
- You now need to use your swipe cards in the elevators at Misericordia Place. It's easy! Simply hold the card in place on the black scanner button and then press the floor number.

## I can see clearly now

We will be working on replacing some of the windows in residents' rooms starting the week of May 27. Each window will take about two hours to replace; we'll be careful to schedule to limit the disruption as much as possible.
