

FAMILY UPDATE

May 19, 2023

Family and friends meet

We were able to finally meet as a large group to get to know each other in person once again at our family information event in April!

This event for family and friends was a big success, with about 20 families joining us for snacks and refreshments to meet and hear from all leaders who influence care at Misericordia place. The MP team was able to share what we do day to day and why we love our jobs and answer questions from family and friends.

I am so proud of the team and what we are able to do every day!

We will be hosting another event in the fall—if you have topics or information you would like to discuss please let me know.

Miz Marchers!

📣 Introducing the “Miz Marchers!” Misericordia Place recreation facilitators will lead a walking group with residents every Friday at 2 p.m. around The Gates/Armstrong's Point. Family members are welcome and encouraged to join. ♿️ 🚶

No registration necessary, just come on out and let's march!

As always, once the weather turns beautiful we are very pleased to see our residents enjoy the outdoors!

Mother's Day Tea with Villa Rosa

Our Recreation and Spiritual Health team hosted a Villa Rosa/MP Mother's Day Tea with 10 clients from Villa Rosa joining our residents for snacks and a small gift.

Founded in 1898 by the Misericordia Sisters, Villa Rosa is a safe haven for single pregnant moms, most of whom are in their teens. Villa Rosa provides a place to live, life skills, education and community follow-up to about 300 prenatal and postnatal persons each year, with an average stay of three to four months.

We are so proud of this legacy of the Misericordia Sisters, and happy to see the generations coming together at MP in the spirit of love and celebration.

Yours sincerely,
