

FAMILY UPDATE

May 26, 2022

COVID-19 update

There is just one resident still testing positive for COVID-19 on MP2. Everyone is doing well and we are hopeful the outbreak will be declared over on June 1.

Elder Abuse Awareness Day

The Resident Council will be on Elder Abuse Awareness Day on June 16. Our social work student Anna will make a presentation and two Winnipeg Police Service officers will answer questions and visit with residents. For more information, please contact our social worker, Aliyah Fhella, at 204-788-8435.

Time for planting!

Spring is finally here, and summer is just around the corner...time to plant and beautify our outdoors! If anyone is interested in getting their hands a little earthy and planting one of the pots in the courtyard garden, please let Dave know at 204-788-8440.

Weather is better for outside visits

If family members would like to visit residents outside, we can allow up to four persons to sit together at a time with PPE, including a mask and eye shield.

It's time to beautify!

Yours sincerely,

Jennifer Taylor, Director, Long-Term Care

Getting outside is a good thing!
