

# FAMILY UPDATE

June 9, 2021

Hello everyone,

## **Immunization Card: increased access to visitation coming soon**

Yesterday the province introduced an [immunization card](#) for fully immunized Manitobans and announced:

*“Manitoba health-care facilities, including hospitals and personal care homes, will permit expanded visitation if both the patient/resident and visitor are fully vaccinated. This benefit is expected to be extended to health-care facility visitation in the coming week.”*

To be clear, for now **our screening and visitation processes remain the same**. As soon as we receive updates to guidelines and an implementation timeline, we will share with you!

To make your COVID-19 immunization appointment, please call **1-844-626-8222** or [make your appointment online](#).

## **MP makeover**

On a completely different note, I am thrilled to say we have been working with a designer to choose new curtains for residents' rooms and shared spaces!

These will be custom-made curtains and blinds in a neutral shade.

The curtains are the first step in our total MP “refresh.” Stay tuned for other exciting changes!

Yours sincerely,

A handwritten signature in black ink, appearing to read "Taylor". The signature is written in a cursive, flowing style.
