

Welcome to Misericordia Place: MP2

Question, compliment or concern?

Misericordia Place welcomes feedback from residents and their loved ones. If you have a question, compliment or a concern we encourage you to speak to a Resident Care Manager. You can also [fill out a feedback survey](#) available online and throughout Misericordia Place. The information provided is confidential. Positive feedback is useful in planning for the future and in providing recognition and support for the work we do. Tracking complaints is an important tool in the continuous improvement of care and services.
