

Resident Transportation Services/Companion Travel

Residents/families are responsible for arranging and paying for transportation for outings not covered under Manitoba Health, such as visits to the doctor, dentist, optometrist and other practitioner clinics, as well as visits to family, friends and social outings.

The following are companies that provide wheelchair and/or stretcher services. Please note there are likely other services available and Misericordia Health Centre does not necessarily endorse these companies:

Belle Express Transit: 204-235-0558

Comforts of Home: 204-949-3234

Dependable Dispatch Wheelchair Transportation:
204-925-8885

Get U There: 204-999-7322 or 204-955-9292

Go Orderly: 204-783-7881

Maple Leaf Transit: 204-487-7000

Medi Van (provides oxygen): 204-982-0790

Patient Transport Services: 204-795-2222

Sunshine Transit Services: 204-667-5332

Tammy's Mobile Handi-Transit Service:

204-918-5757

Wheelchair Services of Manitoba: 204-982-0799

After booking, please share with the nursing unit:

- name of transportation company
- date and time of pick up and return
- destination
- if medications are required

Remember—the cost of transportation and companion (if required) are the responsibility of the resident and/or family. It is not possible to charge the cost of transportation to a resident's trust account as it is not an in-house service.

VISION

Misericordia Health Centre leads our changing health landscape through innovation, responsiveness and community.

MISSION

Misericordia Health Centre adapts continuously to the evolving health-care needs of Manitobans by delivering a unique hub of highly-specialized health-care streams.

We are Manitoba's Eye Care Centre of Excellence, Sleep Disorder Centre and Provincial Health Contact Centre with flagship Health Links – Info Santé.

We are strengthened by the spirit and the legacy of the Misericordia Sisters.

VALUES

caring • respect • trust
