*The future of care*

## OUR VISION

Misericordia Health Centre leads our changing health landscape through innovation, responsiveness and community.

## OUR MISSION

Misericordia Health Centre adapts continuously to the evolving health-care needs of Manitobans by delivering a unique hub of highly-specialized health-care streams.

We are Manitoba's Eye Care Centre of Excellence, Sleep Disorder Centre and Provincial Health Contact Centre with flagship Health Links – Info Santé.

We are strengthened by the spirit and the legacy of the Misericordia Sisters.

## OUR VALUES

Caring • Respect • Trust
