

ATTN: residents, clients and families

A message from Recreation Services

With the rapidly-changing guidelines related to COVID-19, our recreation programming may change from day-to-day. The white boards on the units will always have the most up-to-date information and programming.

We appreciate your patience in our efforts to protect our residents, clients and each other as we work together to prevent the spread of COVID-19.

Please don't hesitate to call us if you require any other information. Thank you!
